INTRO

1991 var året hvor ACID kom tilbage, forklædt som ACIDTECHNO, CUT'N'MOVE fik hele Danmark til at synge med på "COME ON BABY -GET SERIOUS"....CRYSTAL WATERS sang "LA DA DI..TRALALALA"....T99 startede en musikalsk bølge med deres hammerriff på ANASTASHIA....SHAMEN hittede endelig med "MOVE ANY MOUNTAIN.... Danmark markerede sig udenlands med YASMIN, MENTAL GENERATION, CUT'N'MOVE, OVERLORDS og MIRO'.....STEVE SILK HURLEY og DAVE MORALES fik ingen søvn, men tjente masser af dadler på at lave remixes....HIP HOPPEN gled længere og længere bort, og TECHNO blev mere og mere dansemusikken for de unge på 18....Musikalsk set var DETROIT, FRANKFURT og NEW YORK byerne, som stod for retningslinierne.... Melodierne kom igen tilbage på diskotekerne via DEEP HOUSE....SOULSHOCK og CUTFATHER fik en ny trommemaskine....Det største udenlandske navn blev KLF.... Det Amerikanske pladeselskab +8 og R&S fra Belgien blev de vigtigste udenlandske pladeselskaber....Årets feriesteder var IOS, IBIZA, GOA og RIMINI....Årets bedste fest var "SUBWAVE".... Minder var der masser af: Busturene til FRANKFURT, turen til Ibiza, at danse kl 10 00 om formiddagen på SPACE i brændende varme til ROZALLA og MOBY, at høre PEYOTE-I WILL FIGHT for første gang, at se TEM ONE spille videre med sammenbidte tænder på et brækket ben, ja sådan kunne man blive ved, nu vil vi i stedet overlade ordet til nogle af Danmarks markante musikalske skikkelser og se, hvad De rykkede på i 1991.....
